Later on, a discussion meeting was held at SEU Conference Room where Mr. M. Kamaluddin Chowdhury, Representative of BoT, SEUT, Prof. Dr. ANM Meshquat Uddin Vice Chancellor of SEU, Prof. Dr. Md. Abu Taher, Pro Vice Chancellor and Maj Gen Kazi Fakruuddin Ahmed (Retd.), Registrar attended.

Ms. Jubaida Gulshan Ara along with eminent scholars in the conference

Ms. Jubaida Gulshan Ara, Assistant Professor and Coordinator of Department of Architecture, Southeast University (SEU) has received “BEST PRESENTER AWARD” in the 5th International Conference on “Innovation Engineering and Management 2018 (ICIEM 18)” which was held from 28 to 30 December 2018 at Bandung, Indonesia. The conference was organized by International Postgraduate Network. The title of her research paper was “RAINWATER HARVESTING IN VARIED SIZES OF RESIDENTIAL PLOTS IN DHAKA CITY”. In this conference eminent scholars from all around the world came to present their papers and share their views. She represented Bangladesh and Southeast University in this International platform.

Day long Workshop

Delivered the Welcome Speech. The noteworthy initiatives taken by the Department of Computer Science and Engineering regarding OBE were discussed by Mr. Shahriar Manzoor, Associate Professor, Department of CSE and the responsibilities of the remaining tasks were shared among the senior faculty members of the department.

Mr. Monirul Hasan, Senior Lecturer of Department of CSE and Mr. Md. Ashiqu Rahman, Assistant Professor, Department of CSE addressed the different issues related to mapping the Course Learning Outcomes to the Program Learning Outcomes. The problems that are commonly faced while implementing OBE were discussed by Dr. Al-Sakib Khan Pathan, Associate Professor, Department of CSE. Faculty members of CSE department were present in the workshop.
About Southeast University

Southeast University (SEU) started its journey to the endless horizon of knowledge and enlightenment with a mission to provide world-class education at an affordable cost. Its vision is to flourish as a prestigious seat of learning in the South Asian region by providing ‘Quality Education’ of international standard focusing on the less privileged class in the society.

SEU began with only 107 students at Banani, the hub of Dhaka, is now embracing more than 12,000 students under 19 different programs which are designed, reviewed and updated by expert members from home and abroad.

Besides various campuses within Banani area & our newly constructed permanent campus located at Tejgaon, that houses Departments of Electrical & Electronic Engineering, Architecture and Textile Engineering. The university has collaborative agreements with several globally renowned universities from overseas.

As part of our social commitment, we provide up to full-free education for economically underprivileged students who are brilliant, ambitious and deeply engaged in learning.

We hope to groom the young minds of today for the leadership of tomorrow.

Southeast University is run by a number of administrative bodies and committees headed by the Hon’ble Vice Chancellor under the supervision of the Board of Trustees, Southeast University Trust.
